## **Curry Supply Expands Parts Distribution**

MARTINSBURG, PA – Curry Supply Company, a worldwide manufacturer and distributor of commercial service vehicles, has significantly expanded their parts and components distribution network.

Construction is complete on their main parts distribution facility in East Freedom, Pennsylvania to add an additional 32,000 sq. ft. of available warehouse and office space capacity. This expansion allows for a much larger in-stock parts inventory. A multi-million dollar OEM replacement parts inventory is maintained for all makes and models of on- and off-road water trucks, mechanics trucks fuel/lube trucks, lube trucks, rail gear trucks, vacuum trucks, winch trucks, dump trucks, crash attenuator trucks, lube trailers, and lube skids.

To service customers in the west and southwest, the company has begun stocking a comprehensive inventory of on- and off-road water truck parts at their new facility in the Houston, Texas area. Parts are available for most makes and models of water trucks. Walk-in customers are welcome, or can be ordered by calling the 24-hour Houston Parts Hotline: 832-821-7222. The Curry Supply facility outside Houston is located at 1113 Howard Ave., Deer Park, TX.

The company continues to stock and sell their products and parts at Coleman's Equipment, their authorized dealer in Australia.

"We have experienced exceptional growth over the past few years," said Jason Ritchey, President. "With that type of growth, it is imperative that we provide an industry-leading level of post-sale support to our customers. Hence the need to expand our facilities to house an even greater volume of replacement parts."

For more information contact the company at 800-345-2829 or visit their website [www.currysupply.com](http://www.currysupply.com).

*Curry Supply Company is a family-owned business that was established in 1932. For more than 80 years, the Ritchey family has built Curry Supply into one of America's largest dealer and manufacturers of commercial service vehicles including mechanic's trucks, as well as fuel/lube, vacuum, and water trucks for both on-road and off-road needs. Curry Supply delivers internationally, with sales and service provided throughout the United States.*
